📍 East of Kailash, New Delhi  
110065

## PROFILE

An inspired architecture student who is constantly on the move to exhibitions, conventions and galleries to be fully updated on all trends and technologies. Skilled in various softwares, created 3D models, drawings and drafts and is passionately enthusiastic to create visions into a reality. Eager to collaborate with like-minded professionals, I am ready to take on all the tasks head on and achieve all the goals.
