## ABOUT ME

As an aspiring architect I recognize the impact well designed spaces have on communities. I believe that by incorporating technological advancements in our design methodologies one can create sustainable and innovative spaces that positively impact the built environment. I am looking forward to upskill and contribute in this field.

## WORK EXPERIENCE

January 2023 - May 2023

Axiom India, Saket, Delhi

Architectural Intern

I worked on various residential, commercial and educational architectural projects which enhanced my designing, planning skills as well as team work, problem solving, communication and time management skills. This internship helped me gain more practical knowledge about this field

July 2022 - August 2022

AICTE, Summer Internship

Architectural Intern

This internship was done under AICTE, Govt. of India and MoHUA in which urban design and planning proposals were given for the rejuvenation of water bodies. The entry was shortlisted under top 12 out of 235 proposals

July 2021 - September 2021

WiseKreator

Intern Graphic Designer

My responsibilities were to create social media posts and logos for companies associated with our company and to manage the social media handles. I learnt about time management, graphic designing and it enhanced my photoshop skills.
