Profile

Dedicated and friendly Architecture student currently pursuing Bachelors Degree from Indira Gandhi Delhi Technical University for Women college. Keen to utilize my academic and practical understanding of design and construction process to become a professional Urban Designer, designing spaces that are elegant, sustainable, user-friendly and safe catering to the needs of the client. I'm hard working, ambitious and have the ability to handle pressure while adhering to the deadlines. With creativity and great communication skills, I can concisely contribute to any given project by following leadership directions. I aim at creating a positive and encouraging environment for me and my fellow colleagues.

Career Objective

An enthusiastic 4th year student seeking an opportunity to work in an enjoyable and challenging environment that will encourage me to be more creative and gain corporate experience by learning new and necessary skills required for the job.
