

Sakshi Singh

Architecture Student

Highly motivated, organized, resourceful and detail oriented individual with a strong academic background. Passionate Architecture Student Seeking to Inspire Innovative Design and Create Sustainable Spaces. As an architecture student, my goal is to make a lasting impact on the built environment by embracing creativity, sustainability, and user-centric design. I aspire to contribute my strong design and technical skills to an esteemed architectural firm that values innovation and shares my vision for creating spaces that enhance people's lives. Eager to collaborate with like-minded professionals, I am driven to push the boundaries of architectural possibilities while integrating environmental consciousness into every project.

EXPERIENCE & EXTRACURRICULAR ACTIVITIES

2017-2019

Cultural Secretary

Key roles and responsibilities: Event planning, Talent development, Cultural awareness, Collaboration, Managing clubs, Documentation, Promoting creativity etc.

July 2022 - September 2022

Autocad Training and Internship (IIT BOMBAY)

Through the training and internship, I gained a strong command of AutoCAD software. The training and internship honed my technical drawing skills, enabling me to produce accurate and detailed drawings following industry standards and best practices. Working in a professional setting taught me about workplace etiquette, communication protocols, and the importance of maintaining a positive and respectful attitude.
