PROFILE

I'm an ambitious ,responsible and diligent fourth yearB.Arch student from Indira Gandhi Delhi Technical University for Women who enjoys taking on new challenges and learn new things .
I'm currently looking for a position of an intern architect ,as it would act as a platform to hep me gain experience in project execution ,identify project related technicalities ,coordinae with consultants and to gain exposure in the professional field of architecture .I firmly believe that architecture is bringing change in the world and I aspire to be a part of that transformation.
