MISCELLANEOUS

Sketching

Regularly immerse myself in the art of sketching to bring concepts to life, refine designs, and communicate visually

Photography

A passionate photographer with a keen eye for capturing captivating moments and telling stories through imagery.

MY PROFILE

My passion for the field of architecture goes beyond professional pursuits. It is a genuine love for the art and science of designing and creating spaces that positively impact people's lives.

Recognize the importance of architecture in shaping cities and aim to contribute to the creation of livable, inclusive, and vibrant urban spaces.

EDUCATION

Bachelor of Architecture

Indira Gandhi Delhi Technical University
2020-current

EXPERIENCE

Designed and managed the construction of a personal residential project
